What is ONE realistic step in the next 6–12 months?

Think small. What could actually move forward here?

- Talk to other local faith-based communities about their available green space for attainable housing.
- Be involved with local leaders to promote affordable housing options
- Create an advisory council and have those members contact local employers to incentivize employment by offering employer assisted housing.
- Standardization
- In our community we have started to introduce Triplex and Quadplex developments in established neighborhoods.
- Tell elected officials we need more kinds of housing

Who needs to be involved to make this happen?

- Talk about the available land with local land use groups!
- Council Members!
- Myself
- Landowners, local leaders, staff, developers, financial institutions, etc
- Community members, local government officials
- Community input, municipalities, developers
- Planners, developers, zoning officials to help convey the appeal.
- Community members
