

# How to Get Involved

1

## Volunteer as a Group

Join us for service days like landscaping, garden prep, and community clean-up. We can work with you to schedule a day that fits your group.

2

## Invite HAND to Speak

We'd love to visit your church group, Sunday school class, or outreach ministry to share about housing needs and HAND's mission.

3

## Support Through Events

Attend community events like HAND's Trivia Night in November or the Suburban Housing Conference each spring.

4

## Join a Committee

HAND has several volunteer-led committees where your skills can make a real difference: Finance & Audit | Asset Management | Housing Growth | Outreach & Communication | Fundraising

5

## Share Your Housing Story

Personal stories help educate leaders and the community about real housing needs in Hamilton County. If you're open to sharing, your experience could make a powerful difference.

👉 Share your story here: [www.handincorporated.org/share](http://www.handincorporated.org/share)

6

## Be a Voice for Housing

Learn about housing needs in Hamilton County and share what you learn with others. Even small conversations can shift perceptions. At council meetings or when talking with leaders, you can ask how they are making housing more affordable or encourage them to consider policies that support all income levels. Your voice makes a difference.

7

## Donate
